If you are planning to attend school in the Spring of 2021, please send the following to the Education Committee of the Peoria Tribe **no later than January 7th, 2021:**

- Completed renewal application form (**enclosed**)
- Letter of Intent (LOI) to continue your education
- Spring 2021 Class schedule with your full name
(**Handwritten copies will not be accepted.**)
- Grades from the previous semester with your full name
(**Handwritten copies will not be accepted.**)

The Education committee understands that grades and class schedules are not always available by the above stated **January 7th deadline**. With this in mind, if you will still send in your application and LOI by the deadline, this will inform the Education Committee that you would like them to consider you for the Spring 2021 Scholarship. However, no scholarship funds will be issued to the student until **ALL** documentation required for the scholarship is received in the education office. *Postmarked applications will be accepted. However, any applications postmarked after the deadline date **will not** be accepted.*

Let it be known that funding is contingent upon meeting the requirements below:

- » You **MUST** have a 2.50 GPA (*GPA can be cumulative or for the previous semester.*)
- » Must be enrolled in 9 credit hours for a Full-time student
- » Must be enrolled in 8 credit hours or less for a Part-time student.
- » You are required to sustain & complete these credit hours for the Fall Semester.

The Education Committee will meet the 3rd week of January, after the January 7th deadline, to review applications. Scholarship checks will mail out to the approved students up to 3 weeks *AFTER* the education committee meeting.

If you have any questions, contact me at 918-540-2535 or 1-800-259-9987, or by email: lhickey@peoriatribe.com. I look forward to hearing from you.

Sincerely,
