PUBLIC COMMENTS:

(Each speaker is limited to three (3) minutes)

Citizen LeAnn Reeves:

My name is LeAnne Reeves and after the last Business Committee meeting, Bryce Washington made a commitment to produce an action plan on Peria Ridge, and I would like to inquire as to the status of that action plan. Is there an Assistant Director of the Enterprise anymore? Who is in charge. Who has overall responsibility for Peoria Ridge? If somebody could tell me what the status on that action plan and your findings are, that would be great. Thanks. Just one more statement. I've said it before, and I'll say it again. I'm going to keep saying it, this is not an accounting problem. Bradly and his team, it is a case of garbage in, garbage out. This is a massive operational management issue, and I have a feeling it is the wild, wild west out there and the way it is framed. I don't know why we don't just put a lock on the gate on the first day of July before we incur another half a million dollars. That person that has a lot to say in the last live stream stated there are 400 members. That is what is out there in public for everyone to consume.
