Request for Bid

The Peoria Tribe of Indians of Oklahoma is requesting a bid for an irrigation system to be installed at the Peoria Tribe Campus located at 1915 Cleveland Ave, Miami, Oklahoma. The Campus consists of 3 buildings with lawns as well as some islands between parking lots. The boring under the driveways to the islands will be put out for bid during the time the project starts so that it is put where the irrigation contractor specifies.

Each facility will have its own individual Irrigation controller-
Woodland Academy- Irrigation to be installed around the entire building, sidewalks with grass next to, as well as the playground fence to the North. The curb along the parking lot on the West side of the building will have irrigation too. Both grass areas “islands” in the parking area will have irrigation as well.

Community Center and west side of driveway entrance- Irrigation to be installed around the entire building, sidewalks with grass next to, as well as the grass areas “islands” in the parking area and driveway all the way out to the entrance on the West side of the driveway.

Cultural Resource Center and the east side of driveway entrance- Irrigation to be installed in the front of the building as well as the grass areas “islands” in the parking area and the driveway all the way out to the entrance on the East side of the driveway.

In addition to the above scope of work the contractor shall be responsible for:

- A.
 - a. Commercial general liability insurance
 - b. Automobile comprehensive liability insurance
- B.
 - a. Hunter or Rainbird irrigation equipment
 - b. Back fill ditches if needed.
 - c. Contractor is responsible for having utilities located prior to digging.

Proposals shall be submitted in a sealed envelope to the Peoria Tribe **before 4:30 pm on October 20, 2023.**
