If you are planning to attend school for the Spring semester, **deadline January 7<sup>th</sup> of the year you are requesting funding**, or the Fall semester, **deadline July 31 of the year you are requesting funding**, please send the following to the Education Committee of the Peoria Tribe by the above referenced deadlines:

- ☐ Completed renewal application form (**enclosed**)
- ☐ Letter of Intent (LOI) to continue your education
- ☐ Class schedule, for the semester you are requesting funding, with your full name (**Handwritten copies will not be accepted.**)
- ☐ Grades from the previous semester with your full name (**Handwritten copies will not be accepted.**)

The Education committee understands that grades and class schedules are not always available by the above stated deadlines. With this in mind, if you will still send in your application and LOI by the deadline, this will inform the Education Committee that you would like them to consider you for the semester requesting funding. However, no funds will be issued to the student until **ALL** documentation required is received in the education office. *Postmarked applications will be accepted. However, any applications postmarked after the deadline date or postage due **will not** be accepted.*

Let it be known that funding is contingent upon meeting the requirements below:

- » You **MUST** have a 2.50 GPA (*GPA can be cumulative or for the previous semester.*)
- » Must be enrolled in 12 credit hours for a Full-time student
- » Must be enrolled in 6-11 credit hours for a part-time student.
- » You are required to sustain & complete these credit hours for the semester requesting funding.

The Education Committee will meet the 3<sup>rd</sup> week after the above mentioned deadlines to review applications. Scholarship checks will mail out to the approved students up to 4 weeks **AFTER** the education committee meeting.
