Office of the Chief

Aya,

We hope this Newsletter finds each of our citizens well. It is a great time of the year. Our children are back in school and our college students are back on campus. We hope all our citizens are taking full advantage of the school supply reimbursement program and our tuition program. Thank you to our staff and Education Committee for their time and efforts to process and review each application and get these funds out to each one eligible.

Thank you to the Pow Wow Committee and Buffalo Run Casino staff for another successful event. Our June Pow Wow was pushed indoors because of the ongoing rain which provided for saturated grounds and in turn delayed the improvements to the Peoria Pow Wow grounds and buildings. We are pleased to announce that the improvements will be finished by late Fall and the 23rd Annual Peoria Pow Wow (June 2020) will be able to showcase our improved grounds.

In addition to the work being done at the Pow Wow grounds there has been some changes happening at Buffalo Run Casino. To start with, a new sign has been erected on the Interstate 44 side of the property. In addition, to the new digital sign there is improved landscaping throughout the property and the outdoor concert venue received some updates, just in time to welcome Toby Keith for Labor Day.

The outdoor concert venue has been a busy place this summer! To start with the City of Miami hosted their Annual 4th of July festivities at the property. The ongoing rain showers of May and June created flooding at the planned location and the Peoria Tribe and Buffalo Run were happy to be cosponsors and welcome the City and their attendees to our amazing property. The days activities included many city sponsored activities and the Peoria CCDF was able to step in and provide some GREAT kids activities including: Camel rides, bounces houses, face painting, and balloon art to name a few things. The day concluded with a spectacular firework show.

Following this great event, the Peoria CCDF program hosted a “Back to School Bonanza and Movie Night” at the Buffalo Run outdoor venue. Initially the CCDF program purchased 300 back packs and a variety of school supplies for the backpacks. However, the large volume of people who showed up, displayed how obvious the need for backpack and school supplies was and the Peoria CCDF Program did a second order of backpacks and supplies. A second distribution brought the number to 900 backpacks. For more info on the Peoria CCDF Program go to page 10 of the Newsletter.

In closing we would like to remind everyone of the annual Veteran’s Day Memorial Service to honor tribal veterans, as well as all veterans, on Sunday, November 9, 2019. The service will be at the Peoria Tribal Cemetery beginning at 11:00 a.m.

Hope to see you all soon!

IN LOVING MEMORY

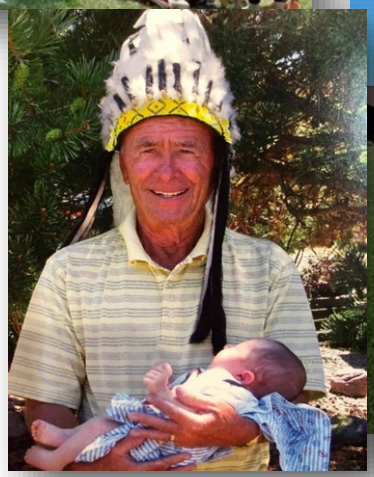
Robert Lee Walker

Leon - Robert Lee Walker, age 82, passed Friday, May 31, 2019, at his Leon, Iowa home. He was the son of Robert Eugene and Alice Lee (Smith) Walker born January 30, 1937, in Des Moines, Iowa. A service of remembrance and gathering was held at the Leon Golf and Country Club on Wednesday, June 5, 2019. A committal service was held at the Iowa Veterans Cemetery at Van Meter, Iowa Thursday, June 6, 2019.

Bob grew up in Des Moines and attended Valley High School. In February of 1954, he joined the United States Marine Corp. On July 14, 1955, he married his high school sweetheart, Sandra Eldean Craig, in Fort Dodge, Iowa. They made their first home together in California while he continued his military service. He was honorably discharged in February 1957. They were blessed with three daughters, Laura Lee, Tina Marie, and Dana Eldean.

The family lived in Des Moines where Bob was manager of Color, Inc., painting contractor of Allied Construction Company for 31 years. In 1982, they moved to Leon, Iowa, where he enjoyed hunting, fishing, and golfing. He retired in 2001, as vice president of Allied Construction. Bob was a member of the Peoria Tribe of Oklahoma in Miami, Oklahoma.

Preceding him in death were his parents; parents-in-law, Albert and Evelyn Craig; brother, Ron Walker; sister-in-law, Karen Walker; brothers-in-law, Paul Evans, Bob Kennedy, and Richard Burson. Survivors include his wife, Sandy Walker of Leon; daughters, Laura and Alan Lowe of Tucson, Arizona, Tina and Tim Murray of DeSoto, Iowa, and Dana and Marvin Gebke, of Germantown, Illinois; sons-in-law, Mike Wren and John Taylor; 12 grandchildren; 21 great grandchildren; sisters, Joan Evans, Jean Burson, and Dorothy "Sissy" Kennedy, all of Pleasant Hill, Iowa, and Joyce and Don Hill of Ankeny, Iowa; brother, David and Barb Walker of Martinsdale, Iowa; nieces and nephews; and other relatives and many friends.



"Every August we have our annual "Walker/ Smith" family reunion. We call it our "Pow-Wow." Our Grandpa Walker (Robert) was the head of our family, he was a man respected by many. He loved to hunt, fish, golf, crack walnuts and watch westerns! His smile, wisdom and humor will be missed.
It's so hard to put into words his impact he had in all of our lives."

Elder Care and Disability Reimbursement Program

Program Description

The Peoria Tribe of Indians of Oklahoma has established a program to aid the elderly population that could benefit from an additional funding source to supplement their households, and/or disability needs, without restricting or interfering with other government programs.

The Elder Care and Disability Reimbursement Program (ECDRP) will make available up to $1000 per fiscal year (April 1st- March 31st) for eligible tribal members. Each eligible tribal member may only choose from one program to receive reimbursement, being limited to 3 requests for services per fiscal year, not to exceed maximum total of $1000. All denied benefits will be reviewed by a 3 person Review Committee comprised of the Chief and 2 accounting staff members. FROM THE ENROLLMENT OFFICE

Is your State Certified Birth Certificate on file in the Enrollment Office?

The Enrollment Office is continuing to update all tribal membership files. Many members have already sent in their state certified birth certificates. To comply with Federal guidelines and be eligible for a CDIB card, issued through the BIA, a state certified birth certificate is required. Reminder; state certified birth certificates must show, state file number, state seal, state registrars signature and parentage. If you are unsure if you have a state birth certificate on file, please call the Enrollment Office. If you need assistance in acquiring one please contact the State Vital records Department in the State you were born and they will assist you in how you can acquire one.

Is your name updated in your membership file?

The Enrollment Office will be glad to assist any member who needs to have their name changed. If your name has changed please update your file to your current legal name. Please bring or send in your legal documentation (i.e. marriage license, court order), a current unexpired government issued photo ID and a signed, dated letter stating what your name was and declaring how you would like your name to appear on the tribal roll. Once you have declared your name it cannot be changed without legal documentation. Once received, the name change process can begin. If you are receiving the tribal newsletter with a previous name listed on the address label, please call the Enrollment Office for assistance or send your legal documentation (i.e. marriage license, court order) so the name change process can begin. It has been observed, the postal service has been returning newsletters and other miscellaneous correspondence sent from the Tribe if a persons name does not match their postal record. The process to update your name is not an immediate event. Please update your name before a need arises as the process takes the same amount of time whether there is a need or a want for a name change.

Enrollment Ordinance Reminders

The Enrollment Office receives calls with requests for help or general enrollment information. To help members, listed below are a few reminders of the Enrollment Ordinance, which was revised and approved March 23, 2002. Below are sections of the Enrollment Ordinance of which the questions or information are typically asked.

Section 2. Dual enrollment with another Federally recognized tribe is prohibited and such prohibition shall be strictly applied; an enrolled member of another tribe shall not be eligible for membership with the Peoria Tribe. If a member of another tribe wishes to become a member of the Peoria Tribe, they must first relinquish all membership with other Federally recognized tribes.

Section 8. Each enrollment application must be completed in its entirety and must contain sufficient information to determine the applicant's eligibility for enrollment. Applicants must list the following on enrollment applications: all names by which the applicant has been known, applicant's current mailing address, name and notarized affidavit confirming applicant is not enrolled with any other Federally recognized tribe, and signature of the applicant or signature of the person filing the application on behalf of the applicant.

Section 9. Applications for enrollment must be accompanied with a State certified birth certificate. Applications received without a State certified birth certificate will not be processed. The following must be visible on State certified birth certificates:

- State Seal
- State File number
- State Registrar's signature

State certified birth certificates must also be recorded with the State Vital Records Division of the state of birth. The following documents are not acceptable when accompanied with enrollment applications:

- Hospital birth certificates
- Baptismal certificate (even when parents' names are shown)
- Heirship records
- County abstracts

Approval of birth certificates issued by foreign nations or other highest-ranking governmental sub-division with jurisdiction to issue birth certificates will be at the discretion of the Enrollment Committee.

Section 15. The tribal membership roll will be on file at the Peoria Tribal office. Any tribal member may visit the tribal office during regular office hours to examine the accuracy of specific roll data for him/herself. Roll data may be viewed for other tribal members only at the request of a parent regarding their minor dependent child's record. Under the Privacy Act 5 U.S.C., 552a, Section (b), release of record information regarding any tribal member who is not a minor is prohibited unless the tribal member provides prior written consent with a Privacy Act disclosure statement.

Section 18. Changes to active membership records, such as name changes due to marriage or divorce, must be made by legal documentation (i.e. marriage license, divorce decree, court order, etc.). Active members with change of addresses and other status information must notify the Enrollment Office at P.O. Box 1527, Miami, OK 74355 or by telephone at 918-540-2535 or 1-800-259-9987. Maintenance and accuracy of membership record data is the sole responsibility of each tribal member. Each tribal member is personally accountable for correct membership record information (i.e. contact information and/or name changes). The Tribal Enrollment Office will review changes to membership records to be forwarded to the Enrollment Committee; the Enrollment Committee shall certify its recommendation of approval to be approved by the Peoria Business Committee. Changes to membership records must ultimately be passed by resolution from the Business Committee and submitted to the Miami Area Agency, Bureau of Indian Affairs.

If I can be of any assistance please call (918) 540-2535 or (800) 259-9987.

Missing or Change of Address

We still have several members with no address on file. Any and all help is appreciated in finding these members. We do have members who contact the office with updates for family members. The assistance is greatly appreciated. However, when the Enrollment Office receives a telephonic or electronic address change, the Enrollment Office will send a change of address form to the missing member with a request for completing the change of address form. Once the Enrollment Office receives the original, signed, completed form, the address is updated and the form is placed in the members file for accuracy. The Enrollment Office must have written permission from the tribal member, over the age of 18, or the legal custodial parent, for members under 18, for address changes. If you know someone who has moved or a tribal member household that is not receiving a newsletter please have them contact the Enrollment Office. If you would like, you can send the change of address form to them for their completion and return or an individual can download the form from the Peoria Tribe website www.peoriatribe.com Go to Programs, then to Enrollment, under the Enrollment section there will be a change of address form highlighted in red, open the form, print the form out, have the individual (if over 18) or legal custodial parent (if under 18) to sign and return to the Enrollment Office.

The Enrollment Office has a new change of address form. Please dispose of any other change of address form you may have and replace with the current one. The new form has been placed in this newsletter.

The address for returning the form is:

~SUMMER REPORT~
PEORIA TRIBE'S AQUATIC FACILITY

OUTREACH AND EDUCATION

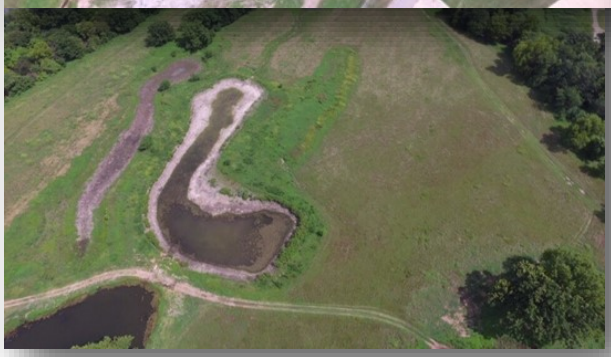
The Aquatic Facility is proud to have hosted the Native American Youth Summit. Kyle Foster and Justin Downs gave a tour of the facility to youth from all over the state and explained the process of raising host fish and mussels. It was a successful event, showcasing the aquatic lab and facility raised host fish, the mussel hatchery tanks, solar panels and the ponds. They also talked about the future goals for the facility, many of the youth had questions and showed interest in the process. Our team of interns did a fantastic job getting

ONGOING PROJECTS:

The Berm and Wetland construction started this July and the environmental department is very excited to add in these new features to the aquatic facility.

The berm will help protect the aquatic facility from future catastrophic floods that threaten the host fish and the mussels.

The wetland will be planted with native grasses to help clean and filter water, which will also improve local wildlife by offering them new habitat.



INTERNSHIP PROGRAM:

This year the Peoria Tribe has seven interns in the environmental department. They performed various job duties at the Aquatic Facility throughout the summer like assisting with pond and landscape maintenance, feeding and working with different aquatic species, testing the ponds for basic water quality parameters and assisting with the propagation of freshwater mussels. We are very happy to offer this internship program and wish these young men and women the best in their future endeavors!

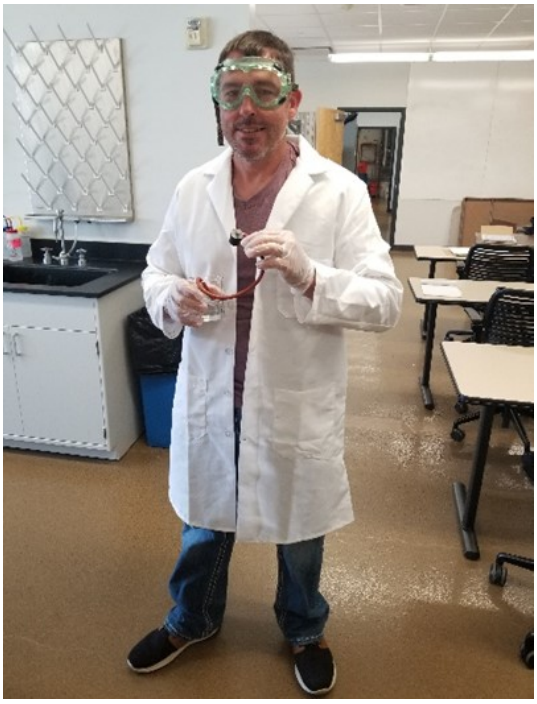
ENVIRONMENTAL DEPARTMENT



On June 4th - June 7th the Peoria Tribe's newly hired personnel for the Clean Air Act in the Environmental Department La Shell Thomas and the Environmental Director Mike Martin attended The Introduction to Tribal Air Quality in Flagstaff, AZ. There they learned the basics of air quality, criteria pollutants, indoor air quality health risk, and how traditional indigenous knowledge is interwoven into environmentalism.

On June 12th La Shell Thomas and Mike Martin attended Integrated Pest Management Training hosted by the US EPA in Wyandotte, OK. This training course offered alternative solutions to managing pest without the use of pesticides and how effective these methods were in cutting down pest and pesticide usage.

On June 27th La Shell Thomas and Mike Martin sat in on the NTAA/EPA Conference Call in order to discuss changes in environmental procedures under the Affordable Clean Energy Rule regarding air pollution from coal fired power plants and how this will affect tribal lands and members.

From June 13th to July 15th La Shell Thomas attended 15 webinars ranging in topic from outreach strategies to effectively communicating scientific data. Some of these webinars will count towards continuing education credits and give our specialist more information in order to build up the air quality department.

On July 3rd La Shell Thomas started ITEPs Radon Fundamentals course, which gives information about the health risk of radon, how to properly test for radon and radon mitigation.
La Shell Thomas will continue her education and training by attending Air Pollution and Ecosystems in Flagstaff AZ in late July, continuing to work on the Radon Fundamentals Training course, attending outreach projects in the community and attending webinars.
